

BREAKAWAY EARTHMOVING

EMERGENCY POLICY

DEFINITION

An emergency is a situation that is, or could be, a threat to the safety of people, property or the environment.

OBJECTIVES

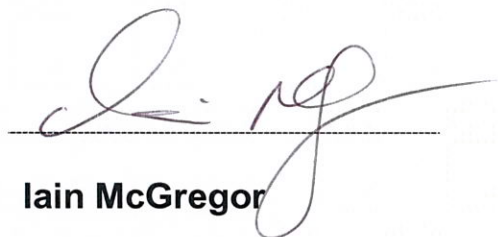

To prevent or minimise:

- Injury to any person
- Property loss or damage
- Detrimental effect upon the environment
- Detrimental effect on wildlife
- Production loss

ACHIEVEMENT

These objectives will be achieved by establishing and maintaining a capability to quickly identify and respond to any accident, incident or hazardous situation.

BREAKAWAY EARTHMOVING is committed to ensuring that emergency prevention, preparedness, response and recovery procedures are established and exercised to achieve the above objectives.
